

Mycofix[®] Plus BBSH

Product Specification

EU Status:

MINERAL FEED

Additives (per kg):

Technological additives:

1m558i Bentonite:

420 g

1m01 Micro-organism strain DSM 11798 of the Coriobacteriaceae family (Biomín[®] BBSH 797):

 1.7×10^8 CFU/g

Kieselgur (diatomaceous earth, purified), E551c:

210 g

Composition: Inactivated yeast, Sea weed meal

Analytical Findings:

Results:

Moisture:

20 - 80 g/kg FM¹

Crude ash:

550 - 700 g/kg TM²

Crude protein:

120 - 190 g/kg TM²

Crude fibre:

20 -80 g/kg TM²

HCl insoluble ash:

420 - 590 g/kg FM¹

Minerals³:

Calcium:

7.1 g/kg FM²

Magnesium:

4.0 g/kg FM²

Sodium:

3.6 g/kg FM²

Potassium:

6.7 g/kg FM²

Phosphor:

4.8 g/kg TM²
¹FM...Feuchtmasse, english: moist mass

²TM...Trockenmasse, english: dry mass

³ Data represent average results from our regular Quality Control analysis.

Physical characteristics:

- **Appearance:** beige greyish fine powder
- **Bulk density:** 530-680 g/l
- **Particle size:** 40 - 500 µm: 80-95%
- **pH-value:** 5.0 - 6.5

Mycofix [®] Plus BBSH Spec EU Mineral Feed NTR Vers 01	Date created:06.10.2014
Page 1 of 2	Date issued: 17.11.2014

Animal categories and species:

pigs

Directions for use:

Mycofix® Plus BBSH is simply incorporated into the feed during compounding.

— The simultaneous oral use with macrolides shall be avoided

Dosage:

Preventive dose: 0.5 to 1 kg **Mycofix® Plus BBSH** per ton of feed.

1.5 kg **Mycofix® Plus BBSH** per ton of animal feed. The dosage can be adjusted from 1.5 to 2.5 kg **Mycofix® Plus BBSH** per ton of feed.

Safety recommendations:

For safety: breathing protection, glasses and gloves shall be used during handling.

For further information please see Material Safety Data Sheet

Storage and shelf life:

18 months from production date if stored in a dry place in original packing. Avoid direct sunlight.

Packing:

25 kg plastic bag in corrugated cartons

GMO Status:

This product does not contain any genetically modified organisms (according to EU Directive 1829/2003).

Hazard designation:

Please see Material Safety Data Sheet.
