Acetona Energy Plus Liquid

Vilomix Finland Oy confirms that our products including Acetona Energy Plus Liquid are free of Genetically Modified Organisms according to the commands (EG) nr. 1829/2003 in case Genetically Modified Feeders and nr. 1830/2003 in case traceability.

Because of the fact that the European Union has approved a number of GMO-variants to be used under certain circumstances, there is a theoretical possibility that these substances can contaminate the non-GMO-variants.
